

SEPE Missionary Support & Investment Guide

Multiplying Kingdom Growth Beyond the Trip

Pastoral Strategy Overview: When your team serves on the field, you build directly on the foundation laid by church planters—proven seminary graduates who are sent out to establish self-sustaining congregations. As SEPE serves as the channel of funding alongside national sending churches to deploy these leaders, incorporating a **SEPE Missionary support donation** into your trip budget allows your congregation to adopt and invest in your SEPE Missionary, extending your gospel impact far beyond your week on-site.

DECISION-MAKING EVOLUTION

1

Level 1: Field Alignment & Budget Integration

Adding SEPE Missionary Support to Your Core Trip Budget

- **Action:** Include a designated SEPE Missionary support donation alongside your standard project budget when presenting your trip strategy to your missions committee or church board.
- **Kingdom Impact:** Directly encourages and assists national church planters as SEPE serves as the funding channel alongside local sending churches during their deployment phase.
- **Faithful Stewardship:** Spreading support across participating trip members turns small per-person additions into significant, long-term encouragement for national workers.

2

Level 2: Team Education & Ongoing Connection

Following and Receiving Updates on Your SEPE Missionary

- **Action:** Follow your SEPE Missionary and receive regular field updates, keeping your team informed on field progress, prayer requests, and ministry milestones.
- **Relational Context:** Equips your church to know how to best pray for your SEPE Missionary and stay meaningfully connected with his ongoing work and local church on the ground.
- **Strategic Centrality:** Unites your team in direct, hands-on service alongside your SEPE Missionary on the field while providing the financial partnership needed to launch self-sustaining local churches.

3

Level 3: Sustainable Annual Partnership

Creating an Engine for Ongoing National Church Multiplication

- **Action:** Select an annual SEPE Missionary investment tier that aligns with your church's missions budget capacity.
- **Long-Term Capacity:** Full annual support for your SEPE Missionary is **\$12,000/year (\$1,000/month)**, helping underwrite living expenses, ministry setup, and local outreach resources.
- **Multiplied Fruit:** As your team returns year after year, your consistent partnership helps SEPE and local sending churches channel support to launch new graduates into the field continuously.

SEPE MISSIONARY INVESTMENT LADDER

SUPPORT LEVEL	ANNUAL SUPPORT	PER-PERSON ADDITION (17-PERSON TEAM)	KINGDOM FIELD IMPACT
Custom Contribution	Variable (\$500 – \$2,500)	+\$30 – \$147 / person	Helps supply baseline ministry tools and resources for local outreach efforts.
Silver Tier (25% Support)	\$3,000 / year	+\$176 / person	Provides significant quarter-year assistance for your SEPE Missionary in the field.
Gold Tier (50% Support)	\$6,000 / year	+\$353 / person	Underwrites major semi-annual field expenses and ministry deployment initiatives.
Platinum Tier (100% Support)	\$12,000 / year	+\$706 / person	Fully underwrites the annual baseline support for your SEPE Missionary deployment.

3 PRACTICAL STEPS TO IMPLEMENT SUPPORT

- 1. Review Support Tiers with Leadership:** Share the \$12,000 annual baseline (\$3,000 Silver / \$6,000 Gold / \$12,000 Platinum) with your missions board or pastoral team to select your target investment level.
- 2. Integrate into Trip Cost Framing:** Add the chosen SEPE Missionary support donation tier directly into your team's per-person fundraising target.
- 3. Confirm Investment on Planning Call:** Let your SEPE coordinator know your chosen support tier on your upcoming trip planning call so funds can be directed to your adopted missionary deployment.
